Dear Parents / Carers and Pupils,

We just wanted to warn parents that within the last 24 hours, a scam has appeared, which says something like:

"As schools are now closed and you are identified as being eligible to receive vouchers for Free School Meals, you are required to urgently provide details to ensure that you do not miss out. Since these are electronic vouchers, they are being paid directly into your bank account and so you are required to send your bank account details and sort code details. Please respond via text to . . ."

I would like to assure you that we will never, nor will the Department for Education, ask for Bank Details. If you do receive such a text please report it to the relevant body.

For those parents whose children do receive free school meals, we hope to be sending further information before the end of the week.

Regards
