OUR MISSION STATEMENT

As a Catholic school we intend to put Jesus Christ at the centre of everything we do.

'I have come that they have life and have it to the full' John 10:10

Therefore we will strive:

- To live the Gospel.
- To promote excellence and achievement for all.
- To nurture partnerships.

This will be done by;

- proclaiming and living out the faith of the Catholic Church, supporting each other in the shared endeavours of teaching and learning, prayer, worship and charitable works,
- promoting and practising just and caring attitudes and actions towards all persons,
- respecting the unique value of each individual and seeking therefore to respond to the talents and needs of all its members in an environment of praise and celebration, nurturing self-esteem and mutual encouragement,
- ensuring that the most effective opportunities for the education of Pupils are established in all areas of the curriculum,
- pursuing the highest Standards in all we do and by constantly seeking improvements,
- developing and maintaining close co-operation with the Parents who entrust their children to us, with the parishes who also seek the spiritual and religious formation of our young people, with our local associated schools and colleges and with the wider community.

The aim of this document is to inform parents of our school's admission procedure.

The law requires local education authorities and school governors to publish details of admission arrangements and other information so that parents are able to express preferences for schools in the light of full and comparable information about them. Arrangements for admissions to Stockport Schools can be found on the Council website.

"The 1980, 1988 and 2002 Education Acts and the 2007 DCSF School Admissions code gave parents increased opportunities to choose the school where they would like their children to be educated."

SEN Admissions

Students with SEN are allocated places in two ways:

Those students with Statements of Educational Needs or Education, Health and Care Plans (EHCPs) have a separate admissions procedure overseen by Stockport's SEN team.

Those students who have SEN but do not have a Statement or an EHCP are admitted via the normal school admissions criteria.
