The governors are seeking to appoint a suitably experienced, skilled and qualified Catholic teacher with proven leadership skills to the position of subject leader of RE. The successful candidate will lead learning and progress across both Key stage 3 and Key stage 4 in this very successful department. Applications are welcomed from suitably qualified leaders who have a proven record of successful teaching, professional development and middle leadership within a Catholic school. It is important that teachers who feel that they meet the person specification and have the skills necessary to undertake the role as outlined in the job description clearly address how their skills, experience and leadership have prepared them to undertake this role in our school. A further opportunity to apply for one of our recently created Head of Faculty positions will exist for the successful candidate prior to the end of the summer term. Applicants must be able to demonstrate support and leadership for the ethos of our Catholic Community. Should you wish to arrange to visit the school prior to application then please feel free to use the Contact Us on the school website and we will endeavour to allocate a mutually convenient time. The Subject Leader of RE position is one of the key posts, within a Catholic school, that is reserved for practicing Catholics.
