

PE Review – Friday 11th November

Wednesday 9th November

The Year 7 and 8 Badminton Squad competed in a Badminton competition against teams from St. Anne's and Priestnall School. All five players played in some extremely tight games, displaying some excellent skills in the process. Jackson Kean showed off his disguised drop shots excellently. Both Isaac and Swan Swain displayed great cross-court returns. Bobby Bridge was fantastically agile getting around the court and Anthony Garwood's powerful smashes were just too much for his opponents to handle. All five players represented the school fantastically and should be extremely proud of their efforts. Well done!
