

Year 10 and Year 11 Football Semi-finals

The Year 10 Football Team enjoyed a fantastic Cup run this season, beating tough opposition from the Stockport League to reach the Cup semi-finals against local sporting rivals Werneth School. Due to an unplayable pitch, the match was decided in a straight penalty shoot-out between the teams; adding even more drama to this competitive rivalry. Despite some excellent penalty taking and stunning reflex saves from goalkeeper Jack Johnson, Werneth converted the winning penalty to win the tie 16-15. Despite this tough loss to take, a huge congratulations is in order for the whole Year 10 Football Team for a very successful season in both the League and the Cup. We hope the team can build on reaching the semi-final to go one step further in next season's campaign.

The Year 11 Football Team managed to also reach the semi-finals of the League this time, securing a chance to reach the Final if they could beat a talented Bramhall High team. Unfortunately for Harrytown, Bramhall proved too strong for our Year 11 Team as Harrytown lost the fixture. Yet, a huge congratulations is in order for the whole Year 11 Football Team for a very successful season. Furthermore, the Year 11 Team was our most successful year group in league competitions this season across all age ranges and should be commended for achieving this feat. Also, a big thanks to Mr. Sherwood for taking the time to manage both the Year 10 and 11 Football Teams, whilst leading both teams to successful seasons in both their respective league and cup competitions.

Year 7 and 8 Dodgeball Tournament – Thursday 11th May

Harrytown took four teams to the annual Stockport Secondary Schools Sport Partnership Dodgeball tournament on Wednesday, which this year was hosted at Stockport School. As the extra-curricular Dodgeball Club at Harrytown has had such high numbers of pupils attending, we were able to submit both an A and a B team for both and girls teams to take part in the tournament. All four teams represented the school in an excellent manner; showing fantastic team spirit, great sportsmanship between games and also displaying some very good Dodgeball skills! The Year 8 Girls Team were our most successful team, coached by our own Year 10 Sports Leaders Fay Dodgson and Savanna Lundquist. Standout performers on the day were:

- Year 7 Girls - Angel Mahlik for showing a great deal of passion in her play and willing her team to win.
- Year 7 Boys – John-Joe Wallace for showing determination and self-belief to give his very best in every game.
- Year 8 Girls - Lauryn Heywood for showing great team work and acting as a fantastic captain for her team.
- Year 8 Boys – Harry Atherton for showing a great deal of passion in his play and willing his team to win.

A big thank you to Stockport School for hosting such an enjoyable event and we hope to take even more pupils next year!

Summer Term Break time and Lunchtime Clubs in PE

There have been some changes to the extra-curricular club schedule this term, so make sure to check the extra-curricular timetable that is available at PE and also on the notice boards in all classrooms.

Lunchtime clubs are on from Monday to Friday with a different sport on each day. All pupils are welcome and the numbers of become increasingly popular week after week. The schedule has now changed and Boxercise Club has been added on a Thursday with a qualified instructor! The schedule is as follows:

Monday – Boys' Football (until 1.05pm), Girls' Football (1.05pm – 1.25pm).

Tuesday – Badminton (Sports Hall).

Wednesday – Zumba.

Thursday – Boxercise (Sports Hall).

Friday – Cricket (Sports Hall).
