

PE Review – Friday 17th February

Wednesday 11th January

The Year 7 Girls' football team played St. James High School at home on Wednesday 11th January. There was a fantastic turnout of 16 girls for the fixture which reflects the increasingly high numbers Mrs. Harrison has been getting at Girls' Football extra-curricular club. All the girls played really well as a team considering they have only had a handful of competitive games. The team scored their most goals in a single game so far this season and these were scored by Olivia Gallagher, Saskia Smith, Angel Mahlik and Taila Philips. Saskia Smith even managed to save a penalty to keep her team in the game. Eva Leatherbarrow and Holly Coulthard were nominated Players of the Match, so well done to both girls! The game was played with a great spirit, with lots of encouragement from both side-lines which can be seen in the pictures below. Well done to the Year 7 team and we hope to have such a high turnout in the next fixture as well.

Thursday 19th January

The Year 7 Girls' football team played Werneth School in an indoor 5-a-side football tournament on Thursday 19th January. It was a fast and frantic affair, played at a high pace and intensity by both teams. Despite losing the fixture in a tightly contested match, three fantastic goals were scored by Jess Lawson, Millie Brown and Holly Coulthard. Player of the match was awarded to Taila Phillips. A huge congratulations to the whole squad for playing with a fantastic team spirit and representing Harrytown proudly.

Tuesday 24th January

The Key Stage 3 Netball teams had fixtures against The Kingsway School on Tuesday 24th January. The Year 9 team battled hard to earn a narrow victory, winning the game 11-10. Natasha Cooke was named Player of the Match. The Year 7 team were unfortunate to come away with a loss against a talented Kingsway team, losing the match. However the whole team played extremely well for their first game playing together as a team, and Angel Mahlik was named Player of the Match. Well done to the both teams and we hope to have such a high turnout in the next fixture as well.

Tuesday 14th February

The Year 9 and 10 Netball teams had fixtures against Werneth School on Tuesday 14th February. The Year 9 team were neck and neck with Werneth for the duration of the game, drawing 12-12 as neither team could be separated. Faye Nolan was named Player of the Match. The Year 10 team competed valiantly with only 6 players against a well-drilled Werneth team. Unfortunately, the extra players for the opposition proved the difference as Werneth won the game 16-8. A big well done is in order for the Year 10 team for showing great teamwork and commitment to play with only a team of 6. The whole team played extremely well and Katie Johnson was named Player of the Match.

Year 9 Options – GCSE PE and BTEC Sport

Year 9's currently deciding on their Options choices for next year and within PE there are two course being offered next academic year. These are GCSE PE and BTEC PE. GCSE PE is currently assessed with 70% based on theory marks and 30% on practical marks; this option is the more academic based route. BTEC Sport is assessed through an online theoretical exam coupled with practical work; this option is the more vocational and practical based route. If any pupils are struggling with choosing their options for next year, please come to the PE Department to speak to the PE staff on the best route for you.

Break time and Lunchtime Clubs in PE 2017

A new year means a new extra-curricular timetable. There have been some changes to the breakfast, break time and lunchtime club schedule this year, so make sure to check the extra-curricular timetable that is available at PE and also on the notice boards in all classrooms.

Lunchtime clubs are on from Monday to Friday with a different sport on each day. All pupils are welcome and the numbers of become increasingly popular week after week. The schedule has now changed and Zumba has been added on a Wednesday with a qualified instructor! The popular choice of Basketball has also returned on a Thursday lunchtime.
