The Bishops' Memorandum sets out the Catholic Bishops' Conference of England and Wales' expectations about the appointment of staff in Catholic schools.

The preservation and development of the quality and distinctive nature of Catholic schools depends on the faith, practice and commitment of the teachers in the schools, working with their Governing Body.

The Catholic Church understands the vocation of a teacher and other adults who work in schools as a form of ministry within the Church.

All adults who work in Catholic schools are employed to participate in the Church's teaching office, exercising this ministry in accordance with the Church's teachings. This requires all adults who work in Catholic schools to be witnesses in word and deed to the Divine Teacher, Jesus Christ.

To find adults to work in Catholic schools who combine personal conviction and practice of the faith with the required professional qualifications and experience, especially in specialist subjects, is always a high priority.

The recognition of the role that Catholic teachers and staff play stands alongside the value we place on teachers and staff of other Christian denominations, other Faiths and other teachers who contribute to and support the Catholic ethos in our schools. We recognise the great contribution they make in helping to ensure that our pupils are equipped to communicate with and participate in contemporary society.
